You may continue Your coverage in a separate class subject to the following conditions:

- Your coverage under the Policy terminated because You are no longer in an Eligible Class;
- We receive Your request and payment of the first premium for the portability coverage no later than 60 days after Your Active Employment with the Policyholder ends; and
- The request is made on a form or through a process We approve for that purpose.

No portability coverage will be provided if Your coverage was terminated due to failure to pay premium.

The benefits, terms, and conditions of the portability coverage will be the same as those provided under the Policy when Your Active Employment with the Policyholder ended. Portability coverage may include any Covered Persons. Benefits for portability coverage will be determined as if the Policy had remained in full force and effect.

Portability coverage will be effective on the date Your coverage under the Policy terminates or the date Your Active Employment with Policyholder ends.

Coverage continued under this provision will end on the earliest of the following:

- The end of the period for which You paid premiums, if You stop making a required premium contribution, subject to the Grace Period.
- The date of Your death.

Total Disability means that You are:

1. Unable to perform Your Occupation;
2. Not working at any occupation for pay or benefits; and
3. Under the Regular Care of a Physician for covered Injury or covered Sickness causing such Total Disability.

GENERAL PROVISIONS

ENTIRE CONTRACT: CHANGES

This Certificate, including the endorsements and the attached papers, if any, constitutes the entire contract of insurance. No change in this Certificate shall be valid until approved by an executive officer of the Insurer and unless such approval be endorsed hereon or attached thereto. No agent has authority to change this Certificate or to waive any of its provisions.

TIME LIMIT ON CERTAIN DEFENSES

After three (3) years from the Certificate Effective Date, We cannot use misstatements, except fraudulent misstatements, provided by the Policyholder or You to void coverage or deny a claim for loss incurred after the expiration of the three (3) year period.

GRACE PERIOD

A grace period of 31 days will be granted for the payment of each premium falling due after the first premium, during which grace period the policy shall continue in force.

NOTICE OF CLAIM

A notice of claim must be given to Us at Our Policyholder Service Address, Policyholder Service Web Portal, or Our Telephone Number as shown on the first page of this Certificate or as otherwise designated by Us within 20 days after loss covered by this Certificate occurs or starts. If notice is not given within that time, it must be given as soon as reasonably possible. Notice must be received by Us. The notice should include Your name, address, telephone number, and Group Number shown on the Certificate Identification page.

CLAIM FORMS

When We receive notice of a claim in writing, We will provide the claimant forms for filing Proof of Loss. If these forms are not sent to the claimant within 15 days of our receipt of the notice of claim, the claimant will meet the Proof of Loss requirement by giving Us a statement of the nature and extent of the loss within the time limit stated in the Proof of Loss provision below. Claim forms are also available through Our Policyholder Service Web Portal, or by calling Our Telephone Number as shown on the first page of this Certificate.

PROOF OF LOSS

Proof of Loss means the claim form (or electronic equivalent) and other information requested by Us substantiating the nature and extent of the loss. Proof of Loss must be completed and returned to Us within 120 days after the covered loss begins or as soon as reasonably possible. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible. Except for absence of legal capacity, no claim for benefits will be accepted after one year from the date Proof of Loss is otherwise required. You must give us the information We need to determine the reasonableness of any delay, if a benefit is payable, and how much the benefit should be. Proof of Loss must be in English.

TIME OF PAYMENT OF CLAIMS

Benefits payable under this Certificate will be paid immediately upon Our receipt of Proof of Loss that is satisfactory to Us.

PAYMENT OF CLAIMS

After We receive Proof of Loss and process Your claim, We will pay any benefits due. Any accrued benefits unpaid at Your death will be paid to the Beneficiary. If You did not name a Beneficiary, or if no Beneficiary survives You, any benefits due will be paid to Your estate. If benefits are payable to an estate or to a person who cannot give a valid release, We may in our discretion pay up to \$1,000 to someone related to You or Beneficiary by blood or marriage. We will be discharged from all liability for any such payment made in good faith.

PHYSICAL EXAMINATION AND AUTOPSY

We have the right to have a Covered Person examined when and as often as is reasonable during the handling of a claim and do an autopsy where it is not forbidden by law. If We initiate the request, either or both will be done at Our expense.

LEGAL ACTIONS

You cannot bring a legal action to recover benefits under Your Certificate for at least 60 days after You have given Us Proof of Loss. You cannot start such an action after the expiration of three (3) years from the date Proof of Loss is required.

CHANGE OF BENEFICIARY

The Beneficiary for benefits payable upon Your death will be the Beneficiary named during enrollment, or later changed by You. You may change the Beneficiary designation by notice satisfactory to Us. An irrevocable Beneficiary designation may only be changed with the consent of such irrevocable Beneficiary. Unless You specify otherwise, the Beneficiary change will take effect as of the date the notice was signed by You, subject to any payment or other action taken by Us prior to receipt of such notice. The consent of any Beneficiary, other than an irrevocable Beneficiary, is not required to surrender or assign this Certificate, or to make any other changes in this Certificate.

If any Beneficiary dies before You, that Beneficiary's interest will pass to any other designated Beneficiaries according to their respective interests. If more than one Beneficiary is designated in a class, each Beneficiary who survives You will receive an equal portion of any benefits payable unless otherwise set forth in the Beneficiary designation.

If you do not survive, and no Beneficiary is designated, benefits will be paid to the first of the following beneficiary classes in which there is a surviving person:

- Your spouse
- Your children
- Your parents
- Your brothers and sisters
- The executors or administrators of Your estate

We may require any affidavits or statements We deem necessary in making payment under this provision. The Company's decision from such information will be final. Before We receive the affidavits or statements referenced above, We may, at Our option, pay up to \$3,000.00 of any benefits to any person We deem to be entitled thereto by reason of having incurred funeral or other expenses related to the last illness or death of the person insured.

CHANGE OF OCCUPATION

If the insured be injured or contract sickness after having changed his occupation to one classified by the insurer as more hazardous than that stated in this policy or while doing for compensation anything pertaining to an occupation so classified, the insurer will pay only such portion of the indemnities provided in this policy as the premium paid would have purchased at the rates and within the limits fixed by the insurer for such more hazardous occupation. If the insured changes his occupation to one classified by the insurer as less hazardous than that stated in this policy, the insurer, upon receipt of proof of such change of occupation, will reduce the premium rate accordingly, and will return the excess pro-rata unearned premium from the date of change of occupation or from the policy anniversary date immediately preceding receipt of such proof, whichever is the more recent. In applying this provision, the classification of occupational risk and the premium rates shall be such as have been last filed by the insurer prior to the occurrence of the loss for which the insurer is liable or prior to date of proof of change in occupation with the state official having supervision of insurance in the state where the insured resided at the time this policy was issued; but if such filing was not required, then the classification of occupational risk and the premium rates shall be those last made effective by the insurer in such state prior to the occurrence of the loss or prior to the date of proof of change in occupation.

MISSTATEMENT OF ISSUE AGE

If the age of the insured has been misstated, all amounts payable under this policy shall be such as the premium paid would have purchased at the correct age.

If the age of the Insured has been misstated, all amounts payable under this Certificate shall be such as the premium paid would have purchased at the correct age.

UNPAID PREMIUM

Upon the payment of a claim under this Certificate, any premium then due and unpaid or covered by any note or written order may be deducted therefrom.

CANCELLATION

The insurer may cancel this policy at any time by written notice delivered to the insured, or mailed to his last address as shown by the records of the insurer, stating when, not less than five days thereafter, such cancellation shall be affective and after the policy has been continued beyond its original term, the insured may cancel this policy at any time by written notice delivered or mailed to the insurer, effective upon receipt or on such later date as may be specified in such notice. In the event of cancellation, the insurer will return promptly the unearned portion of any premium paid. If the insured cancels, the earned premium shall be computed by the use of the short rate table last filed with the state official having supervision of insurance in the state where the insured resided when the policy was issued. If the insurer cancels, the earned premium shall be computed pro-rata. Cancellation shall be without prejudice to any claim originating prior to the effective date of cancellation.

CONFORMITY WITH STATE STATUTES

Any provision of this Certificate which, on its effective date, is in conflict with the laws of the Governing Jurisdiction on that date is amended to conform to the minimum requirements of such laws.

REFUND OF PREMIUM AT DEATH

Upon notice of Your death, We will refund to the Beneficiary the portion of any premium that applies to a period beyond the end of the Certificate month in which death occurred.

PAYMENT OF PREMIUM

The first premium is due on the Certificate Effective Date. Subsequent premiums are due and payable on the monthly anniversary of the Certificate Effective Date. If premiums are not paid when due, this Certificate will terminate subject to the Grace Period.

All premiums are payable to Us or as otherwise designated in writing by Us.

The Policyholder is responsible for remitting Premiums as they become due. Payment of any Premium will not keep insurance in effect beyond the due date of the next Premium, except as stated in the Grace Period.

PREMIUM CHANGES

We have the right to change the premium rates on a class basis on any premium due date in accordance with the terms of the Policy. If the rates are changed, We will give at least 30 days advance notice to the Policyholder, or to You if the portability coverage is in effect.

REFUND OF PREMIUM AT DEATH

Upon notice of Your death, We will refund to the Beneficiary the portion of any premium that applies to a period beyond the end of the Certificate month in which death occurred.

RECOVERY OF CLAIM OVERPAYMENT

We reserve the right to recover any payment made by Us that were:

- Made in error;
- Made to You and/or any party on Your behalf, where We determine that such payment made is greater than the amount payable under this Certificate; or
- Made to You and/or any party on Your behalf based on fraudulent or misrepresented information.

If benefits are overpaid or paid in error, We have the right to recover the amount overpaid, or paid in error, including but not limited to, by any of the following methods:

- A request for You and/or the Covered Person to make a lump sum payment of the amount overpaid or paid in error; and/or,
- A reduction of any proceeds payable under this Certificate for a then-current claim by any amounts overpaid or paid in error.

FRAUD

In the absence of fraud, all statements made by the Policyholder or by an Insured shall be deemed representations and not warranties and that no statement made for the purpose of effecting insurance shall avoid such insurance or reduce benefits, unless contained in a written instrument signed by the Policyholder or the Insured, a copy of which has been furnished to such Policyholder or to such Insured or his Beneficiary.

Summary of the Life and Health Insurance Guaranty Association Act and Notice Concerning Limitations and Exclusions

INTRODUCTION

Residents of Pennsylvania who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Pennsylvania Life and Health Insurance Guaranty Association (PLHIGA). The purpose of this Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in Pennsylvania and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Association is limited, however. As noted below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable. Insurance companies and their agents are prohibited by law from using the existence of the association to induce you to purchase any kind of insurance policy.

This Information is Provided By:

Pennsylvania Life and Health Insurance Guaranty Association
290 King of Prussia Road
Radnor Station Building 2, Suite 218
Radnor, PA 19087

SUMMARY

The state law that provides for this safety-net coverage is called the Pennsylvania Life and Health Insurance Guaranty Association Act. Below is a brief summary of the law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Association.

COVERAGE

Generally, individuals will be protected by the Pennsylvania Life and Health Insurance Guaranty Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they hold certificates under a group life or health insurance contract or annuity, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

Persons holding such policies or contracts are not protected by this Association, if:

- they are not residents of the State of Pennsylvania, except under certain very specific circumstances;
- the insurer was not authorized or licensed to do business in Pennsylvania at the time the policy or contract was issued;
- their policy was issued by a nonprofit hospital or health service corporation (e.g., a blue cross or blue shield plan), an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The Association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk;
- any policy of reinsurance (unless an assumption certificate was issued);
- plans of employers, associations or similar entities to the extent they are self-funded or uninsured (that is, not insured by an insurance company, even if an insurance company administers them);
- interest rate yields that exceed an average rate;
- dividends;
- experience rating credits;
- credits given in connection with the administration of a policy or contract;
- annuity contracts or group annuity certificates used by nonprofit insurance companies to provide retirement benefits for nonprofit educational institutions and their employees;
- policies, contracts, certificates or subscriber agreements issued by a prepaid dental care plan;
- sickness and accident insurance when written by a property and casualty insurer as part of an automobile insurance contract;
- unallocated annuity contracts issued to an employee benefit plan protected under the Federal Pension Benefit Guaranty Corporation;
- financial guarantees, funding agreements or guaranteed investment contracts not containing mortality guarantees and not issued to or in connection with a specific employee benefit plan or governmental lottery;
- any kind of insurance or annuity, the benefits of which are exclusively payable or determined by a separate account required by the terms of such insurance policy or annuity maintained by the insurer or by a separate entity.

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the Association is obligated to pay out. The Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the Association will pay a maximum of \$300,000 – no matter how many policies and contracts there were with the same company, even if they provided different types of coverages.

Subject to the over-all \$300,000 limit, the Association will pay up to \$300,000 in life insurance death benefits, but not more than \$100,000 in net cash surrender or withdrawal values. For annuities, the Association will pay up to \$300,000 in annuity benefits, or \$100,000 in net cash surrender or withdrawal benefits. For health insurance, the Association will pay up to \$300,000, including any net cash surrender or withdrawal benefits.
