

SIMPLIFY ENROLLMENT FOR YOUR EMPLOYEES

Our digital enrollment resources make it easy.

We all need information to make decisions, but too much can be overwhelming. That's why Cigna offers streamlined digital enrollment tools with just the right amount of information to help your employees choose a plan with confidence. Personalized decision support, available in web and mobile-friendly formats and by phone, gives employees access whenever and however they want it.

DIGITAL ENROLLMENT GUIDE.

A comprehensive, but simple to understand self-guided virtual benefits document

Highlights of the guide include:

- › Side-by-side comparison of plan options
- › Overview of additional benefit features and services
- › Glossary of health care benefit terms
- › Handy enrollment checklist

Together, all the way.®

DIGITAL BENEFITS EDUCATION

Flexible, timely, and efficient options bring benefits education to a digital environment

On-demand educational videos

Animated video modules, available in English and Spanish for your intranet or to share by email.

- › Describes coverage with examples
- › Outlines how the plans and programs work
- › Highlights 'need to know' information

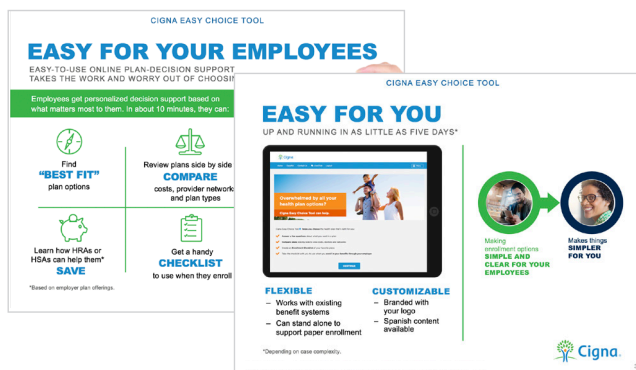

WebEx Educational Presentations

- › Provide plan specific information
- › One on one or group benefit education support
- › Support through plan decision making
- › Live and/or recorded for added flexibility

Easy Choice Tool

Employees get personalized decision support based on what matters most to them.

- › Find 'best fit' plan options
- › Review plans side by side to compare costs, provider networks and plan types
- › See which doctors and hospitals are in-network
- › Get a handy checklist for enrolling and plan types
- › Contact Cigna with any questions

BY PHONE

Pre-enrollment line

Live, personalized enrollment decision support for your employees 24/7. Employees can ask questions and talk through their options with someone who understands the plan details.

Telephonic Office Hours

Live question and answer sessions for employees to address their specific needs.
