CLERICAL ERROR

Clerical error on the part of the Policyholder or Us will not invalidate insurance otherwise in force nor continue insurance otherwise terminated. Upon discovery of any error, an adjustment will be made in the Premiums and/or benefits available. Complete proof must be supplied by the Policyholder documenting any clerical errors.

EFFECTIVE DATE OF COVERAGE

This Policy becomes effective on the Policy Effective Date shown in the Policy Specifications. Coverage for each Covered Person begins on their Certificate Effective Date.

ENTIRE CONTRACT

The Entire Contract consists of:

- This Policy;
- The Policyholder's application;
- Any amendments and attachments issued;
- The Certificate(s) and any Certificate Rider(s); and
- All enrollment data and evidence of insurability if any.

Changes to this Policy will not be effective until approved by the President, a Vice President, or the Secretary of our Company. This approval must be noted on or attached to this Policy. No agent or broker has the authority to change this Policy or to waive any of its provisions.

The Policy may be modified by Us with at least 60 days advance written notice delivered to the Policyholder.

INFORMATION REQUIRED FROM THE POLICYHOLDER

The Policyholder must provide Us with detailed information about persons who are eligible to become insured under this Policy, information about Insureds, and any other information that may be reasonably required.

Policyholder's duties include, but are not limited to, the following:

- Providing Us any and all information We determine is necessary for the enrollment of Eligible Classes and for the determination of their eligibility. Policyholder must provide Us with all information necessary to underwrite the coverage, to calculate premiums and to maintain necessary administrative records.
- Maintaining records pertaining to the insurance of Eligible Classes, for whom We may reasonably require information while this Policy is in force and for 2 years after this Policy terminates. Policyholder must also allow us to examine these records at any reasonable time during normal business hours.
- Cooperating fully with Us in preparing and/or delivering any required notices regarding this insurance to Eligible Classes.

INSPECTION OF POLICY

Policyholder must make this Policy available for inspection by all Eligible Classes during normal business hours.

LEGAL ACTION

No action at law or in equity shall be brought to recover on this Policy prior to the expiration of sixty days after written proof of loss has been furnished in accordance with the requirements of this Policy. No such action shall be brought after the expiration of three years after the time written proof of loss is required to be furnished.

PREMIUM

PAYMENT OF PREMIUM

This Policy is issued in consideration of the Policy application and payment of the first Premium. The first Premium is based on the initial rate(s) shown in the Rate Table and is due on the Premium Due Date shown in the Policy Specifications. The Policyholder must send all Premiums to Us on or before their respective Premium Due Dates.

Payments must be paid in United States dollars. We may use any reasonable method to compute Premiums due under this Policy. Premium is due for everyone covered under this Policy.

GRACE PERIOD

A grace period of 31 days will be granted for the payment of each premium falling due after the first premium, during which grace period the Policy shall continue in force. This Grace Period does not apply if the Policyholder requested this Policy be terminated.

If the full Premium is not paid by the Premium Due Date, We will provide written notice to the Policyholder that if the Premium is not paid by the end of the Grace Period; this Policy will terminate on the last day of the Grace Period. If We fail to give written notice, the insurance provided under this Policy will continue in effect until the date such notice is given.

If the Policyholder replaces this Policy with another group policy but does not give Us written notice of intent to end this Policy, the Grace Period provision of this Policy will still apply.

The Policyholder is required to pay a pro rata Premium for any period this Policy was in force during the Grace Period. Premium is required for any period, including the Grace Period or any extension of the Grace Period, for which insurance under this Policy was in force and Premium was not paid.

The Policyholder is responsible for the payment of Premiums to the last day of the Grace Period. If any Premium owed is not paid before the Grace Period ends, this Policy will lapse. If We accept Premium after the Policy lapses, such acceptance shall not automatically reinstate this Policy.

At our option, We may require the Policyholder to apply for reinstatement.

- If any premium is not paid within the time granted the insured for payment, a subsequent acceptance of premium by Us or by any agent duly authorized by Us to accept such premium, without requiring in connection therewith an application for reinstatement, shall reinstate the Policy..
- If We require the Policyholder to apply for reinstatement, and that reinstatement is not approved by us, We shall refund any unearned Premium as soon as reasonably possible but in no event later than 30 days following receipt of the unearned Premium.

INITIAL RATE GUARANTEE AND CHANGES IN PREMIUM

We have the right to adjust the Premium for this Policy on a class basis as determined necessary by Us. A change in Premium will not take effect before the Rate Guarantee Date shown in Policy Specifications. However, We may change Premium rates at any time for reasons which affect the risk assumed, including but not limited to:

- A change occurs in the Policy design;
- The number of Insureds changes by 25%; or
- A new law or a change in an existing law affecting premium taxes or premium-based fees or other fees or assessments affecting Us.

A Premium adjustment will take effect on the next monthly anniversary of this Policy following the adjustment. A change may take effect on an earlier date when both We and the Policyholder agree. Written notice of a Premium adjustment will be delivered to the Policyholder and Insureds at least 30 days in advance.

If a Premium adjustment involves a return of unearned Premium, the refund will be limited to the prior 12 month period.

REINSTATEMENT OF INDIVIDUAL CERTIFICATES

If an Individual Certificate terminates for failure to pay Premium, the Insured may apply for reinstatement subject to the reinstatement provision in the Individual Certificate.

POLICY RENEWAL

This Policy shall automatically renew on each anniversary of the Policy Anniversary Date, subject to the Termination of Policy provision.

TIME LIMIT ON CERTAIN DEFENSES

After three years from the date of issue of this Policy no misstatements, except fraudulent misstatements, made by the Policyholder in the application for such Policy shall be used to void the Policy or to deny a claim for loss incurred or disability commencing after the expiration of such three year period.

Summary of the Life and Health Insurance Guaranty Association Act and Notice Concerning Limitations and Exclusions

INTRODUCTION

Residents of Pennsylvania who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Pennsylvania Life and Health Insurance Guaranty Association (PLHIGA). The purpose of this Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in Pennsylvania and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Association is limited, however. As noted below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable. Insurance companies and their agents are prohibited by law from using the existence of the association to induce you to purchase any kind of insurance policy.

SUMMARY

The state law that provides for this safety-net coverage is called the Pennsylvania Life and Health Insurance Guaranty Association Act. Below is a brief summary of the law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Association.

COVERAGE

Generally, individuals will be protected by the Pennsylvania Life and Health Insurance Guaranty Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they hold certificates under a group life or health insurance contract or annuity, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

- they are not residents of the State of Pennsylvania, except under certain very specific circumstances;
- the insurer was not authorized or licensed to do business in Pennsylvania at the time the policy or contract was issued;
- their policy was issued by a nonprofit hospital or health service corporation (e.g., a blue cross or blue shield plan), an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The Association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk;
- any policy of reinsurance (unless an assumption certificate was issued);
- plans of employers, associations or similar entities to the extent they are self-funded or uninsured (that is, not insured by an insurance company, even if an insurance company administers them);
- interest rate yields that exceed an average rate;
- dividends;
- experience rating credits;
- credits given in connection with the administration of a policy or contract;
- annuity contracts or group annuity certificates used by nonprofit insurance companies to provide retirement benefits for nonprofit educational institutions and their employees;
- policies, contracts, certificates or subscriber agreements issued by a prepaid dental care plan;
- sickness and accident insurance when written by a property and casualty insurer as part of an automobile insurance contract;
- unallocated annuity contracts issued to an employee benefit plan protected under the Federal Pension Benefit Guaranty Corporation;
- financial guarantees, funding agreements or guaranteed investment contracts not containing mortality guarantees and not issued to or in connection with a specific employee benefit plan or governmental lottery;
- any kind of insurance or annuity, the benefits of which are exclusively payable or determined by a separate account required by the terms of such insurance policy or annuity maintained by the insurer or by a separate entity.

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the Association is obligated to pay out. The Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the Association will pay a maximum of \$300,000 – no matter how many policies and contracts there were with the same company, even if they provided different types of coverages.

Subject to the over-all \$300,000 limit, the Association will pay up to \$300,000 in life insurance death benefits, but not more than \$100,000 in net cash surrender or withdrawal values. For annuities, the Association will pay up to \$300,000 in annuity benefits, or \$100,000 in net cash surrender or withdrawal benefits. For health insurance, the Association will pay up to \$300,000, including any net cash surrender or withdrawal benefits.
